Florida State Seminoles 2008

The loss of our starting goalkeeper, Erin McNulty, to the U-20 Canada team is big. If Kate Milstead or Kimmy Diaz can step in and perform well I expect another College Cup appearance. Coach K has said the biggest improvement from this years squad is the team speed, thanks to some outstanding freshman. Go Noles----------;;;;;>>>>>>>

Well, we know Hurricane Fay can beat them if nobody else can. They are rescheduled for Saturday afternoon. All I can say is the storm damage must not be as bad in Tallahassee as it is over by Jacksonville. Awful pictures from over there this morning.

Ya, my power was out for 5 hours today, I am afraid the flooding here in Tally will be bad, its been raining non stop. The game has been moved once again to Monday at 3. Hopefully the storm will be gone by then. Go Noles ;;;;------;;;;>

Florida State defeated UCF 5-0 on Monday afternoon. Amanda DaCosta and Casey Short each had two goals, while Lauren Switzer added one. Good performance, a tougher test awaits in Penn State Friday. Go Noles;;;;----;;;;>
